

Year 10 GCSE Photography	Autumn term	Spring term	Summer term
<p>Component 1 Assessment of GCSE Photography:</p> <p>Students will be marked throughout the course against 4 assessment objectives.</p> <p>In Component 1, a maximum of 120 marks can be awarded.</p> <p>AO1 Contextual understanding (30)</p> <p>AO2 Creative making (30)</p> <p>AO3 Reflective recording (30)</p> <p>AO4 Personal presentation (30)</p>	<p>Project 1. This will be different each year and will allow students to explore a theme, responding to the focus and concepts behind the title.</p>	<p>Students will continue with their project until February half term when they will complete a final piece for their portfolio.</p> <p>Project 2. Students will begin working on the final project for Year 10 which will culminate with Mock exam 1 in the summer term.</p>	<p>Project 2 is an extended project which will be substantial which is required by the examining board Eduqas.</p> <p>This extended project will give students ample time to thoroughly develop and experiment with their imagery to create a credible portfolio component.</p> <p>Mock exam 1.</p>

Year 11	Autumn term	Spring term	Summer term
<p>Component 2. ESA Externally Set Assignment</p> <p>This is set by the exam board Eduqas.</p> <p>This is a 12 self-lead project.</p> <p>Students will be marked for the GCSE out of 200 in total.</p>	<p>Component 1:</p> <p>Project 2. Students will begin a substantial project, independently lead which will culminate in a final piece for Mock 1.</p> <p>They will present research, responses and independent analysis and experimentation of imagery and ideas.</p> <p>Workshops and visits will take place to inspire and support coursework.</p> <p>Mock 1.</p>	<p>Component 2.</p> <p>Externally Set Assessment (Eduqas)</p> <p>Students will embark on a personal project taken from the exam paper. This will be a thorough exploration of the theme using their own photographs, edits and experimentation.</p> <p>Focus will be on reflective commentary, concept and final ideas leading to Mock 2.</p>	<p>Students will be pre-moderated to assess if there is outstanding content to their projects and focus will be on preparing for their 10-hour practical exam.</p> <p>Final 10-hour exam</p> <p>Deadline for final hand in.</p>
