De La Salle School

Admission Arrangements for 2026/27

The De La Salle School was founded as a Catholic School by the De La Salle Brothers to provide education for children of Catholic families. Whenever there are more applications than places available, priority will always be given to Catholic children in accordance with the oversubscription criteria listed below. The school is conducted by its governing body as part of the Catholic Church in accordance with its De La Salle trust deed and instrument of government and seeks at all times to be a witness to Our Lord Jesus Christ.

As a Catholic school based on Lasallian principles and values, we aim to provide a Catholic education for all our pupils. At a Catholic school, Catholic doctrine and practice permeate every aspect of the school's activity. It is essential that the Catholic character of the school's education be fully supported by all families in the school. We therefore hope that all parents will give their full, unreserved and positive support for the aims and ethos of the school. This does not affect the right of an applicant who is not Catholic to apply for and be admitted to a place at the school in accordance with the admission arrangements.

The governing body is the admissions authority and has responsibility for admissions to this school. The local authority undertakes the co-ordination of admission arrangements during the normal admission round. The governing body has set its admission number at 150 pupils to year 7 in the school year which begins in September 2026.

Pupils with an Education, Health and Care Plan or a Statement of Special Educational Needs (see note 1)

The admission of pupils with a statement of Special Educational Needs or an Education, Health and Care Plan is dealt with by a completely separate procedure. Children with a Statement of Special Educational Needs or Education, Health and Care Plan that names the school must be admitted. Where this takes place before the allocation of places under these arrangements this will reduce the number of places available to other children.

Oversubscription Criteria

Where there are more applications for places than the number of places available, places will be offered according to the following order of priority:

1. Catholic looked after and previously looked after children. (see notes 2&3)
2. Catholic children (see note 3)
3. Other looked after and previously looked after children. (see note 2)
4. Catechumens and members of an Eastern Christian Church. (see notes 4&5)
5. Baptised children of other Christian denominations. (see note 6)
6. Children of staff at the school (see note 9)
7. Any other children.

Within each of the categories listed above, the following provisions will be applied in the following order.

(i) The attendance of a brother or sister at the school at the time of enrolment will increase the priority of an application within each category so that the application will be placed at the top of the category in which the application is made (see note 8).

Tie Break

Priority will be given to children living closest to the school determined by the shortest distance. Distances are calculated on the basis of a straight-line measurement between the child's home address to address point of the school. Distances are reported in miles to three decimal places using the local authority's computerised measuring system provided by Ordnance Survey (OS) to measure straight line distances. In the event of distances being the same for two or more children where this would determine the last place to be allocated, random allocation will be carried out and supervised by a person independent of the school. All the names will be entered into a hat and the required number of names will be drawn out.

Application Procedures and Timetable

To apply for a place at this school in the normal admission round, you **must** complete a Common Application Form available from the local authority in which you live. You are also requested to complete the Supplementary Information Form attached to this policy if you wish to apply under oversubscription criteria 1, 2, 4 or 5. The Supplementary Information Form should be returned to The Admissions Officer, De La Salle School, Ghyllgrove Close, Basildon SS14 2LA by 31st October 2025.
You will be advised of the outcome of your application on 1st March or the next working day by the local authority on our behalf. If you are unsuccessful (unless your child gained a place at a school you ranked higher) you will be informed of the reasons, related to the oversubscription criteria listed above, and you have the right of appeal to an independent appeal panel.

If you do not provide the information required in the SIF and return it by the closing date, together with all supporting documentation, your child will not be placed in criteria 1 and 2 or 4 and 5, and this is likely to affect your child's chance of being offered a place.

All applications which are submitted on time will be considered at the same time and after the closing date for admissions which is 31st October 2025.

Late Applications

Late applications will be administered in accordance with your home Local Authority Secondary Co-ordinated Admissions Scheme. You are encouraged to ensure that your application is received on time.

Admission of Children Outside their Normal Age Group

A request may be made for a child to be admitted outside their normal age group, for example if the child is gifted and talented or has experienced problems such as ill health.

Any such request should be made in writing to The Admissions Officer, De La Salle School, Ghyllgrove Close, Basildon SS14 2LA at the same time as the admission application is made. The governing body will make its decision about the request based on the circumstances of each case and in the best interests of the child. In addition to taking into account the views of the head teacher, including the head teacher's statutory responsibility for the internal organisation, management and control of the school, the governing body will take into account the views of the parents and of appropriate medical and education professionals, as appropriate.

Waiting Lists
In addition to their right of appeal, unsuccessful children will be offered the opportunity to be placed on a waiting list. This waiting list will be maintained in order of the oversubscription criteria set out above and ***not*** in the order in which applications are received or added to the list. Waiting lists for admission will operate throughout the school year. The waiting list will be held open until the end of the summer term.

Inclusion in the school's waiting list does not mean that a place will eventually become available.

In-Year Applications
An application can be made for a place for a child at any time outside the admission round and the child will be admitted where there are available places. Application should be made to the school by contacting The Admissions Officer, De La Salle School, Ghyllgrove Close, Basildon SS14 2LA. De La Salle School website homepage

Where there are places available but more applications than places, the published oversubscription criteria, as set out above, will be applied.

If there are no places available, the child will be added to the waiting list (see above).
You will be advised of the outcome of your application in writing, and you have the right of appeal to an independent appeal panel.

Fair Access Protocol
The school is committed to taking its fair share of children who are vulnerable and/or hard to place, as set out in locally agreed protocols. Accordingly, outside the normal admission round the governing body is empowered to give absolute priority to a child where admission is requested under any locally agreed protocol. The governing body has this power even where admitting the child would mean exceeding the published admission number.

The governing body reserves the right to withdraw the offer of a place or, where a child is already attending the school the place itself, where it is satisfied that the offer or place was obtained by deception.

Notes (these notes form part of the oversubscription criteria)

1. A Statement of Special Educational Needs is a statement made by the local authority under section 324 of the Education Act 1996, specifying the special educational provision for a child. An Education, Health and Care Plan is a plan made by the local authority under section 37 of the Children and Families Act 2014, specifying the special educational provision required for a child.
2. A 'looked after child' has the same meaning as in section 22(1) of the Children Act 1989, and means any child who is (a) in the care of a local authority or (b) being provided with accommodation by them in the exercise of their social services functions (e.g. children with foster parents) at the time of making application to the school.

   A 'previously looked after child' is a child who was looked after, but ceased to be so because he or she was adopted, or became subject to a child arrangements order, or special guardianship order. Included in this definition are those children who appear (to the governing body) to have been in state care outside of England and who ceased to be in state care as a result of being adopted.

3. ‘Catholic’ means a member of a Church in full communion with the See of Rome. This includes the Eastern Catholic Churches. This will normally be evidenced by a certificate of baptism in a Catholic Church or a certificate of reception into the full communion of the Catholic Church. For the purposes of this policy, it includes a looked after child who is part of a Catholic family where a letter from a priest demonstrates that the child would have been baptised or received if it were not for their status as a looked after child (e.g. a looked after child in the process of adoption by a Catholic family).
   For a child to be treated as Catholic, evidence of baptism or reception into the Church will be required. Those who have difficulty obtaining written evidence of baptism should contact their Parish Priest who, after consulting with the Diocese, will decide how the question of baptism is to be resolved and how written evidence is to be produced in accordance with the laws of the Church.
4. ‘catechumen’ means a member of the catechumenate of a Catholic Church. This will normally be evidenced by a certificate of reception into the order of catechumens.
5. ‘Eastern Christian Church’ includes Orthodox Churches, and is normally evidenced by a certificate of baptism or reception from the authorities of that Church.
6. “baptised children of other Christian denominations”, normally evidenced by a certificate of baptism or reception from the authorities of that Church or confirmation of practice from the Religious Leader where baptism does not take place until an adult. An ecclesial community which on principle has no credal statements in its tradition, is included if it manifests faith in Christ as witnessed to in the Scriptures and is committed to working in the spirit of the above.
   All members of Churches Together in England and CYTÛN are deemed to be included in the above definition, as are all other churches and ecclesial communities that are in membership of any local Churches Together Group (by whatever title) on the above basis.
7. ‘brother or sister’ includes:
   (i) all natural brothers or sisters, half brothers or sisters, adopted brothers or sisters, stepbrothers or sisters, foster brothers or sisters, whether or not they are living at the same address; and
   (ii) the child of a parent’s partner where that child lives for at least part of the week in the same family unit at the same address as the applicant.
8. A ‘parent’ means all natural parents, any person who is not a parent but has parental responsibility for a child, and any person who has care of a child.
9. Children of staff at the school
   a) where the member of staff has been employed at the school for two or more years at the time at which the application for admission to the school is made;
   or
   b) the member of staff is recruited to fill a vacant post at the school for which there is a demonstrable skill shortage.
   c) this applies to all staff who are employed at the school.
