Wednesday 17th March 2021

Dear Parents/Carers

### **End of term arrangements & using TestRegister.co.uk**

As we approach the final week of term before the Easter break I wanted to remind you that the last day of term will be Friday 26th March 2021. School will end at the usual staggered finish times. School will resume on Monday 12th April.

Friday 26th March will also be a non uniform day for students and staff. A donation will not be required to take part.

I would like to remind all parents supporting the school by using the home Lateral Flow Tests at home to ensure that the result is logged on the TestRegister.co.uk platform. This keeps the school informed of those taking part in testing and notifies us immediately of any positive results. Please note that this is in addition to the requirement to log on the NHS Test and Trace site. If you record the result on TestRegister.co.uk FIRST - you will be directed to the NHS site immediately afterwards. My sincere thanks to everyone helping to keep the school safe by taking part.

We are in the process of reviewing the provision made for remote education during the lockdown and have produced a 6 question Google Form that would help us immensely with this evaluation. It should take less than one minute to complete. All responses are anonymous unless you choose to provide a name - please find the form here:

Many thanks in anticipation.

Yours sincerely

Mr P Norris
