

Provider Access Policy (Baker Clause) 2022-23

De La Salle School

This policy statement sets out the school's arrangements for managing the access of providers to pupils at the school for the purpose of giving them information about the provider's education or training offer. This complies with the school's legal obligations under Section 42B of the Education Act 1997.

Pupil entitlement

All pupils in years 8-11 are entitled:

- to find out about technical education qualifications and apprenticeship opportunities, as part of a careers programme which provides information on the full range of education and training options available at each transition point;
- to hear from a range of local providers about the opportunities they offer, including technical education and apprenticeships – through options events, assemblies and group discussions and taster events;
- to understand how to make applications for the full range of academic and technical courses.

Management of provider access requests

De La Salle School uses the Gatsby Benchmarks as a guide to plan our Pathways and Enrichment programme. As part of our commitment to informing our students of the full range of learning and training pathways on offer to them, we are happy to consider requests from training, apprenticeship and vocational education providers to speak to students.

De La Salle School also proactively seek to build relationships with these partners as we plan our Pathways and Enrichment activity throughout the school year to ensure that providers have multiple opportunities to speak to students and their parents across years 7- 11, to offer information on vocational, technical and apprenticeship qualifications and pathways De La Salle School ensures that staff involved in personal guidance and pastoral support are up to date on their knowledge of these post 16 and post 18 pathways, through a programme of Continuing Professional Development.

Opportunities for providers to speak with students may include school assemblies, employer and provider engagement events or opportunities to speak with students and parents on a one- to-one basis supporting GCSE, post 16 or post 18 option choices. De La Salle School Pathways and Enrichment programme is monitored for quality and impact by the Senior Leadership and Governance Teams.

In the first instance, requests by providers should be sent to the School's Careers Lead with a minimum of 6 weeks' lead time. All requests will be considered on the basis of staffing availability to support the activity, clashes with other planned activity, trips or visits to the School, interruption to preparation for examinations or rooming and space availability to host the activity.

For questions on this or De La Salle School wider Pathways and Enrichment programme, please contact the School's Careers Lead, Mrs H Butler at info@dlsbasildon.org
