31st Week of Ordinary Time
The month of the Holy Souls

Morning Prayer

Our Theme this week is Serving Others

Serving others means showing kindness, compassion and generosity through our words and actions.
As young Lasallians, we follow the example of Jesus, who taught us to love our neighbours and care for those in need. Even the smallest acts of service, such as helping a friend, listening to someone who feels lonely or standing up for what is right, can make a real difference. Remember, we are called to be people of faith who put love into action.

The Holy Souls

During November, the Catholic Church remembers the Holy Souls, those who have died and whom we hold in our prayers. We pray for them, remembering the love they shared with us and trusting in God's mercy and the promise of eternal life. It is also a special time to remember our loved ones and give thanks to God for the difference they made in our lives.

Serving Others

Month of the Holy Souls

Today we remember the Holy Souls, praying for all those who have died. It is a special time to remember family members, friends and others who are no longer with us, giving thanks for the love and happiness they brought into our lives. As young Lasallians, we are reminded of the importance of prayer, compassion and hope, trusting in God's endless love and mercy. Even when someone is no longer with us, the love and memories we share with them remain in our hearts.

1. + In the name of the Father and of the Son and of the Holy Spirit.
Amen

Let us remember we are in the presence of God.
R/ Let us adore him.

Eternal Rest grant unto them O LORD and let perpetual light shine upon them.
May they rest in Prace

May the Souls of all the faithful departed through the mercy of God rest in peace

Amen

Feast of St Martin de Porres

3rd November

Theme of the Week:
Serving Others

Month of the Holy Souls

St Martin de Porres was known for his humility, kindness and care for the poor, the sick and those who were treated unfairly. He believed that every person deserved love and respect, regardless of their background or circumstances. For young people, his life is a reminder that we do not need to be famous or have special talents to make a difference. By showing kindness, standing up for others and helping those in need, we can follow his example and live out our Lasallian values of respect for all, service to others and care for those most in need.

1. + In the name of the Father and of the Son and of the Holy Spirit.
Amen

Let us remember we are in the presence of God.
R/ Let us adore him.

Morning Prayer - Feast of St Charles Borromeo

4th November

Theme of the Week: Serving others

Month of the Holy Souls

St Charles Borromeo was a bishop who dedicated his life to serving God and helping others, especially the poor and those in need. He believed that faith should be shown through our actions and that good leaders should lead by example. For young people, his life reminds us that we all have the ability to make a positive difference in our school and community. As young Lasallians, we can follow his example by being responsible leaders, supporting those who struggle and putting our faith into action through kindness, compassion and service to others.
